Facilitator

Andrew Bryant, CSP

Andrew Bryant is a recognized authority on the art & science of Self-leadership. His constructive realism helps senior executives

transform their approach to management and leading people.

As founder of Self Leadership International, Andrew is widely sought after as an Executive Coach and Leadership Consultant.

Career Development: How to Influence Your Boss

Unless you own your own business, you have a boss and your career success depends largely on how you influence him or her. In this lively and interactive workshop you will learn how to:

- Apply Self-leadership strategies to take control of your career
- Build your personal brand
- Identify your bosses' 'currencies'
- Communicate on your boss' wavelength
- Get free coaching from your boss
- Be proactive and anticipate your boss' needs
- Get your ideas heard
- Get a promotion or a raise
